

Gearing up for a smart tomorrow

MGM CET marching towards preparing students to be Industry-Ready

MGM CET had the privilege of having a feather in its cap due to the grand success of two teams which participated in Hackathon 2018. Team "BugSquashers" worked successfully on "Discharge of untreated affluent in river" and secured the first runner-up position with prize of Rs. 75,000".

MGM's College of Engineering and Technology (MGM CET) is governed by Mahatma Gandhi Mission, a Char-

Ashank Desai, Co-founder MASTEK on the occasion of Degree Distribution Ceremony on 20th March 2018

itable Trust Act 1950 and Societies Regulation Act 1860. The Mission has set up in 1986, College of Engineering & Technology, Kamothe, Navi Mumbai. The objective of the institute is to impart value based quality education by combining academics with exposure to industry. The College offers nine Undergraduate Programmes and five Postgraduate Programmes. Uni-

versity of Mumbai recognized research centre in Bio-Medical Engineering Department to offer Ph. D. Programme in Bio-Medical Engineering. The college is affiliated to University of Mumbai and approved by AICTE, New Delhi. MGM CET is ISO-9001-2000 and ISO 9001:2015 certified. MGM CET has been achieving excellent academic performance and the students have been getting university rankings.

The college emphasizes on preparing students to be "Industry-Ready", through organized efforts of inviting eminent academician from IITs and other institutes as well as industry professionals for interaction with the students to get exposed to the state-of-the-art activities and the current Industry practices.

Ashank Desai, Co-founder and for-

mer Chairman and Managing Director; MASTEK was the chief guest for the Degree Distribution Ceremony and he is also a member of the Board of Governors of MGM CET.

MGM CET also organizes special training programmes with the help of industry professionals for the students on the topics such as Digital Marketing, Spoken Tutorials on Python, Industry-Ready Programmes, courses of Microsoft IT Academy.

Activities under "Innovation and Creativity Cell" inspires the students from the first year level to come up with ideas for technology which are supported with the facilities by the college to pursue.

The college also initiated 10 Technical Clubs and 10 General Clubs to have interdisciplinary activities.

MGM CET is also organizing a national conference on Integration of Human Values in Professional Education on June 12 -13, 2018.
