Analysis / Required Line of Action and Action Taken

Report

This analysis is made based on the feedback obtained from the students of Mahatma Gandhi Mission's College of Engineering and Technology, Kamothe, Navi-Mumbai for the Academic year 2019-20.

Academic Year: 2019-20

1. Based on Feedback from students following inference can be drawn:

A) As per student's feedback areas for Improvement

- Focus on completion of syllabus on time as compared to last academic year.
- More Training and more focus on Placement activities are required.
- Encouragement required for co-curricular and extra curriculum activities.
- Need of the hour is to organize more personality development programmes and spoken English classes.
- Focus should be given on Practical based teaching instead of only theoretical based teaching and learning process.

B) Line of action

- Close monitoring of progress of syllabus Department wise.
- Institute may offer not only English as foreign languages but other foreign languages like German, French etc.
- Institute is planning to conduct Student exchange programme.
- Institute may look for laboratory maintenance.
- Apart from curriculum co-curriculum activities may be arranged as and when there are any possibilities.

C) Action taken

- As per students demand various training and Placement activities are already initiated.
- All labs have been updated for smooth performance of experiments.
- Faculty members are directed to discuss more practical based example to discuss the subjects.
- Few more steps are in process to meet the requirements.
