

MGM's College of Engineering and Technology, Navi Mumbai.

Alumni Association

Dear Alumni

You are cordially invited to your Alma Mater to form the Alumni Association of MGMCET.

A special meeting is organized at MGM premises to constitute the working committee. Office bearers of VJTI Alumni Association have given consent to grace the occasion and provide guidance to form the Alumni Association. We look forward for your active participation in forming association. Please forward this invitation to your alumni colleagues having at least 10 plus years after completing graduation/post graduation from MGMCET. Brief information of your Alma Mater is enclosed. .

We also looking forward your active participation and contribution to arrange Annual Alumni Meet, Silver Jubilee batches Meet, placements etc.

Date of Meeting : 3rd December 2017

Time : 11.00 A M

Venue : MGMCET Premises

Contact : Prof Shashi Prabha 8369185065 , 9820977648, shashi.mini@gmail.com

7. Vote of thanks12.45 PM

Venue .. CET Seminar Hall, Ground Floor

Please also join us for lunch.

Looking forward to your presence and active participation.

With Best wishes

Prof Shashi Prabha

Mahatma Gandhi Mission's College of Engineering & Technology...The Pioneer Technical Institute in the Satellite City..

Over 31 years, MGM's CET has built a reputation of achieving excellence, in making technical education comprehensive by an incisive style of teaching with all the amenities. The institute always holds its head high with the proud legacy of progressive education. It still distinguishes itself in producing competent engineering graduates and post graduates as a compatible match with the growing demand of skilled professionals.

MISSION

To empower the aspiring professional students to be prudent enough to and to explore the world of technology and mould them to be proficient to reach the pinnacle of success in the competitive global economy.

VISION

To become one of the outstanding Engineering colleges in India by providing a conducive and vibrant environment to achieve excellence in the field of engineering education.

Quality Policy

- To impart latest technical knowledge to the students.
- To recruit well qualified and competent Teaching faculties.
- To evaluate performance of staff and students at regular intervals for continual improvement.
- To create engineers to cater to the human resource needs in the realm of technology

Courses offered:

	Graduate	Post Graduate	Ph.D
Computer Engineering	120	18	
Electronics & Telecommunication Engineering	180	18	
Bio Medical Engineering	60	18	10
Civil Engineering	120	18	
Chemical Engineering	60	18	
Information Technology	60		
Bio technology	60		
Mechanical Engineering	120		
Electrical Engineering	60		

Faculty

'Telling is not teaching and Listening is not learning'. We see our faculty as a critical input to the process of teaching-learning. The learning process is for both students and teachers. With this view in mind the institute provides opportunities to the faculties to further update their educational qualification by sponsoring them to the leading technological institutes like IIT, VJTI and ICT for their Post graduation and Doctoral Studies.

Awards and Honours

Awarded with ISO-9001-2000 Certification by RINA for providing immense knowledge in the respective streams of Engineering by following the guidelines of University of Mumbai.

IBM awarded –IBM SOFTWARE-CENTRE OF EXCELLENCE

MICROSOFT awarded –“Microsoft IT Academy”

Library

The institute has a well stocked library with an array of books on Technology, Reference books and Encyclopedia. The college subscribes to many national and international journals and periodicals to keep abreast to the technological advancements. E-Journal facility is also available to all the students and faculties. On line journals like IEEE, Springer, ASCE, McGraw Hill, Science Direct, Elsevier ASTM Digital Library.

Research & Development Cell

Our R&D Cell contributes significantly to the advancement of learning and dissemination of knowledge by offering various research projects funded by Government. Sponsored projects by BRNS and ICMR.

Placements:

The Cell invites companies for Campus recruitments by providing them with necessary facilities for conducting Aptitude test, Group Discussions and Interviews. The students have been placed in renowned companies like Infosys, Philips Health Care, GE Health Care, Reliance, i-Gate, VVF, NSC IT, L&T, IBM, Hexaware Technologies, to name a few.

Graduation Ceremony

MGM's CET conducts Graduation Ceremony to confer Degree Certificates to Under Graduate and Post Graduate students. First Toppers are honored with Gold Medals and Silver medals to the Second Toppers of each branch. Dr. Krishna. A. Gosavi Memorial Gold Medal which is given to the Institute Topper in memory of the Founder Principal of MGM CET, Navi Mumbai.

Other celebrations

- Independence day, Teacher's day and Engineer's day, Gandhi Jayanti and Republic day
- Technical and cultural activities are also organized by students
